Trapped outside her body, Anna sees and hears but cannot touch the one she longs to hold. Anna has a secret: she can astrally project out of her body. But when there's an accident and her classmate Taylor gets into Anna's body, what was an exhilarating gift threatens to become a terrifying reality. Anna and her best friend Rei form a plan to set things right, but they don't anticipate the feelings that are beginning to grow between them. Auracle by Gina Rosati is an exciting, sensual novel that explores the relationship between body and soul and the power of a single touch.
